MEASURING YOUR RING SIZE

Print this guide on US Letter size paper, scaled to 100%.
Then, place a credit card on the line below, or the correct coin in one of the labeled ring sizes.
If the card or coin lines up, then the print size is correct.

OPTION 1: MEASURE BY MATCHING YOUR RING

Match the inside of a well fitting ring with one of the circles below. When your ring has been placed on the right size, you should only see the white circle, with no pink inside. If your size falls between two sizes, choose the larger size.

OPTION 2: MEASURE WITH A SIZER

Cut out this sizer, then carefully cut the line to create a slit. Wrap the sizer around the base of your finger, pull the tapered end through the slit, and note the size. For a comfortable fit, also measure your knuckle. Then, choose a size that will slip on & off your finger easily.
